

Story Garden

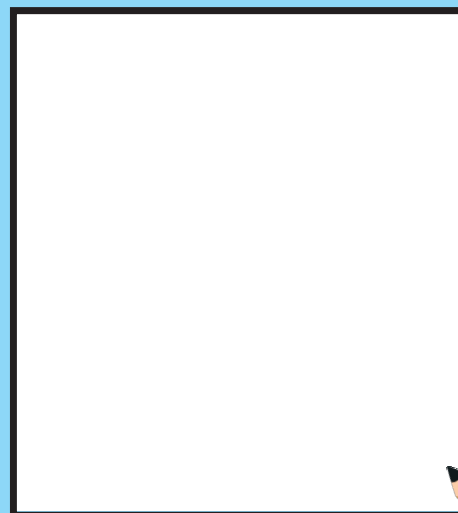

As part of this year's Summer Reading Challenge your library is offering you the chance to do **Arts Award Discover**.

You can use these activity sheets to get your **Arts Award Discover**. **Arts Award Discover** is about discovering the arts all around you, getting stuck in to different arts activities, finding out about artists like authors and illustrators, and sharing what you've done.

Ask your library if they are running the **Arts Award** scheme.

Take part in different arts activities

You're doing the Summer Reading Challenge
so we know you're already reading books!

But have a think: what other creative things can
you do at the library during the holidays?

What type of art would you
really like to have a go at?

Real live artists

Did you meet any writers or artists at the library?

Tell us who you found out about and what they do.

Who are your favourite singers and film stars – they're all artists too!

Are there any artists in
your family or class?

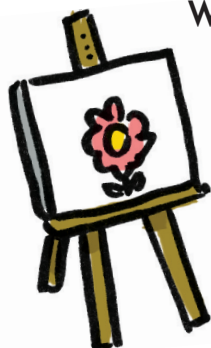

Who likes taking pictures?

Who likes making music or singing?

Who likes doing craft things?

Who likes dancing?

Who likes drawing and painting?
