DRAW YOUR GHOST!

WRITE A SPOOKY STORY

It's time to write your own mysterious ghost story, using the spine-tingling tales in *Ghosts in the Walls* as inspiration. Why not include the ghost you created earlier on?

To help you get started, think about the following:

- Where is your ghost based?
- Why might they be haunting somebody or something?
- Will they appear in front of somebody, or will they give more subtle hints?
- How could your story end? Will you go for maximum fear factor or a happier ending?
