About the Book

Calling all mystery fans: The Werelock and Scratch Detective Agency needs you!

Can you help Werelock - the world's greatest (and only) werewolf detective - and his raven assistant, Scratch, solve the case before it's too late?

'A brilliantly fun puzzle-filled mystery!' - Andy Shepherd, author of The Boy Who Grew Dragons

When someone steals the ashes of Gothica City's vampire mayor, Werelock's mother is wrongly accused. Desperate to prove her innocence and bring the mayor back to unlife, Werelock and Scratch are launched into the ultimate treasure hunt.

All clues point to the mayor's long-hidden, dangerous mind-controlling potions. Our daring duo, along with you, dear reader, must race to find the potions before they fall into the wrong hands.

Will Werelock and Scratch succeed, or will they fall into a villain's mind-control trap?

With puzzles, clues and riddles to work out, this hilarious, highly illustrated, inventive mystery needs the reader's help to crack the case!
