DESIGN YOUR OWN NOX MASK...

In *Peregrine Quinn and the Battle for Olympus*, Peregrine and her friends go to NoxTurning – the coolest night of the year!

- Design yourself a mask below that you would wear to NoxTurning inspired by your favourite animal or mythical creature.
- Use scissors to cut out eye holes, and black ribbon or some string to tie it round your head!
- Remember, masks are worn for the celebration and removed after the fire-lighting as a symbol of revealing yourself!
