

# Build an Azuma

1. Colour in your Azuma.
2. Carefully cut out your template with some help from an adult.
3. Gently fold the sides of the train where they meet the roof.
4. Using the tabs stick the sides of the Azuma together.

**Did you know?**  
Azuma means east in Japanese.

**Fun Fact**  
LNER uses 65 Azuma Trains.
