SPOT THE DIFFERENCE

CAN **YOU** SPOT THE 5 DIFFERENCES BETWEEN THESE TWO PHOTOS?

WHO STOLE THE SCHOOL SCIENCE TROPHY?

USE YOUR DEDUCTIVE REASONING TO SOLVE THE CRIME.

Suspects:

- Mr Edmunds
- Tia Moss
- Benny Phoenix

Clue 1: The thief is wearing leather gloves and shiny black shoes.

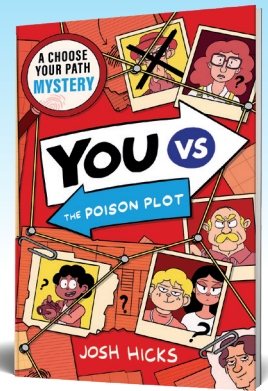

Clue 2: A man was seen escaping the scene of the crime with the trophy.

Clue 3: Mr Edmunds was seen sneaking around behind the science block and has mud all over his trainers.

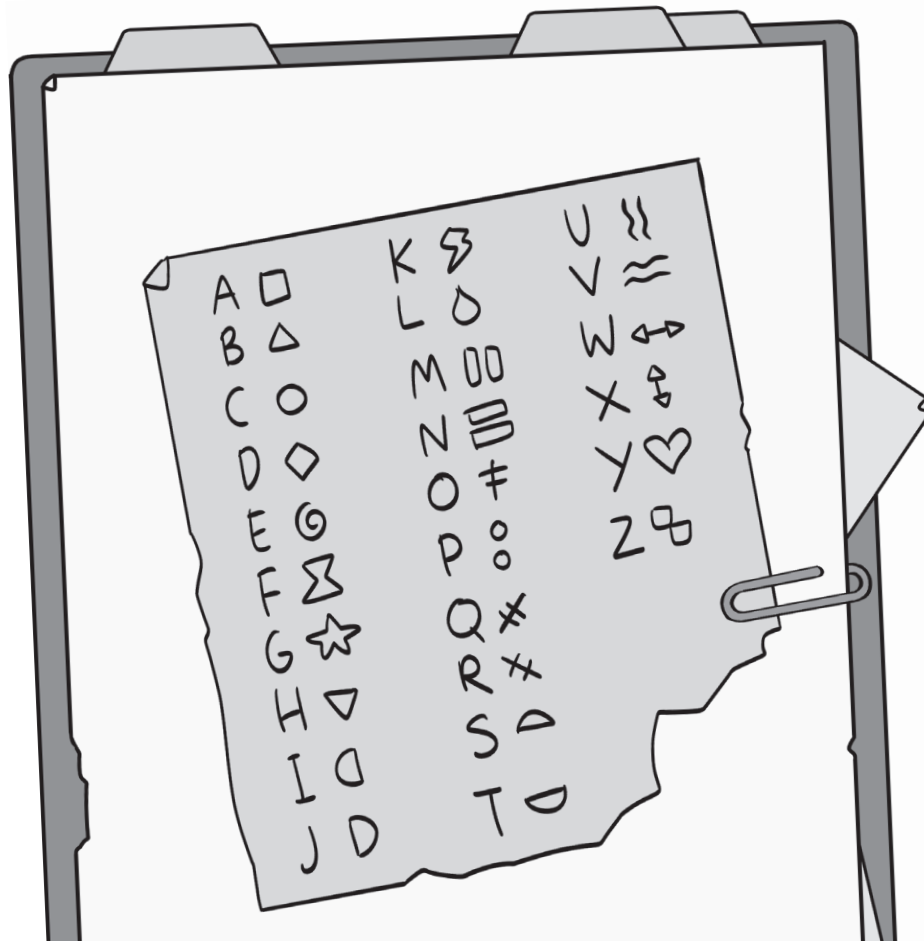

Answer: It was Benny Phoenix! Clue 2 tells us the thief was a man as he was seen with the trophy, so it can't be Tia. Clue 1 says the thief was wearing black shoes, but Clue 3 tells us Mr Edmunds has muddy trainers.
