

Meet *Phrased & Confused*, a guide to the great quotations that we just keep getting wrong. From ancient maxims like 'seize the day' to modern classics like 'the road less travelled', *Phrased & Confused* sets the record straight on commonly misunderstood sayings - and reveals the meanings of famously difficult ones, from 'I think therefore I am' to 'a rose is a rose is a rose'.

Pairing witty commentary with light-hearted illustration from Liana Finck, this is the ideal resource for lovers of language, literature, history and philosophy, full of intelligence and insight for curious minds everywhere.
